

## **Balloon Man**

From Paris, London, or Baltimore  
A voice is heard  
Bringing smiles  
On children's faces

Miracles behold  
The Balloon Man  
Is here

Balloons of  
Every hue  
Yellow...Red...Blue

Wonder, you ask  
Has it gone  
High on  
The sky

The magic  
Is close by  
The voice says

Come one  
Come all  
Come every one  
And take  
One home  
With you.
