Holiday-Wrapping Soundtrack

Jazz vocalist [Rhonda Robinson](http://www.RhondaRobinsonMusic.com) and guitarist Charlie Sigler recently released a CD that includes a few welcome surprises alongside classic Christmas songs like "What Child Is This?" and Vince Guaraldi's "Christmas Time Is Here." Titled *Station North Holiday Jazz Brunch*—Robinson and Sigler perform regularly at Station North Arts Cafe—the disc ends with startlingly good versions of "The Christmas Waltz," "Mary, Did You Know," and "I Wonder as I Wander," as Sigler's angular and warm playing beautifully compliments the earthy and earnest vocals. [Download](#) those songs for your next holiday mixtape or stop by Station North Arts Cafe for a copy (\$10), a smile from proprietor Kevin Brown, and some good food.
