For nearly ten years I was a valued employee of Sodexo Senior Services. Because of my steadfast efficiency, hard-work and dedication, I was chosen to travel throughout the state of Maryland instructing members of the Sodexo team in various types of Restaurant Management. In 2011 I decided to change gears and head into the Real Estate business, securing my sales license. Wishing to broaden my expertise, I am now seeking to add appraisals to my set of skills. Since April of 2016, I have been working for Laramar Group as a Leasing Agent.
