

Sorry

I'm sorry

Sorry, I'm so sorry

Sorry to be saying sorry again

Sorry I haven't called

Sorry I ruined things

Sorry I lost it

Sorry I missed your party

Sorry I'm late

Sorry I broke your heart

Sorry I left before you came

Sorry I never knew you

Sorry to take so long

Sorry I yelled at you

Sorry I am sad

Sorry I can't talk right now

Sorry I cried in your class

Sorry I asked

Sorry I am such an asshole

Sorry I'm lost

Sorry I ruined your life

Sorry I couldn't resist

Sorry I'm a stranger here myself

Sorry I haven't posted

Sorry I bit you

Sorry I pulled your hair

Sorry I broke your nose

Sorry I hurt your feelings

Sorry I deleted you

Sorry I looked

Sorry I could not be more helpful

Sorry I lied
