

SYNERGY

Orchestra redefined & refined.

The **American Studio Orchestra** is an interdisciplinary adventure for the senses that melds music & multi-media. Merging tradition with technology, the ASO is creating a new paradigm in live and interactive performance.

Our concerts are suited for every member of the family and reflect our philosophy of exciting the mind of all who attend. We present original and arranged music from classical, jazz, contemporary, and world music genres in tandem with stunning visual designs and innovative interactions.

We have assembled a roster of virtuoso musicians and gathered the finest film-makers, videographers, photographers, painters, sculptors, dancers, and fashion designers. Experience synergy as we combine palletes of inspiration with spectacular orchestral colors!
