Adopt a street for me
Burn down a cvs for me
Cry a river for me
Dance yourself crazy for me
Empty a 40oz beer for me
Free yourself for me
Grow a garden for me
Help the homeless for me
Issue reparations of 40 acres and a mule for me
Jump rope for me
Kiss a forehead for me
Love unconditionally for me
Make a seat at the table for me
Name a holiday for me
Occupy a school for me
Paint a mural on the side of a building for me
Quit smoking for me
Run a marathon for me
Stomp in a police hood for me
Teach the world to dream again for me
Understand astrology for me
Visualize peace for me
Walk 500 miles for me
Xylograph for me
Yodel a song for me
Zoom zoom zoom, slow down for me

For life is too short and before you know, I won't be here.
