

# Keep Baltimore Inexplicable

lyrics to the song written by Edward Weiss (words and Music)

Keep Baltimore Inexplicable

To change it now would be despicable

Complexity's compelling

Diversity's divine

Don't try to simplify

What can't simply be defined

Keep Baltimore Inexplicable

To change it now would be despicable

Keep it, keep it, keep it,

It was meant to be this way

Keep Baltimore Inexplicable

Forever and a day

That's Baltimore, inexplicable

Forever, hooray!

Yes, it's Baltimore, inexplicable

Forever, hooray!
