

ABOUT PAMELA WOOLFORD'S FICTION

"I BELIEVE HER NOVEL-IN-PROGRESS, SLEEP, WILL ONE DAY AFFORD HER THE ACCLAIM THAT COMES TO FEW FIRST NOVELISTS. THE NOVEL IS A SENSITIVE AND THOROUGH EXPLORATION OF THE LIVES OF THREE PEOPLE—QUITE SPECIFIC IN THE DETAILS AND CHARACTERIZATION OF THOSE THREE, BUT UNIVERSAL BECAUSE PAMELA'S ARTISTRY OPENS A WINDOW TO ALLOW US TO VIEW OURSELVES, OUR LOVED ONES, OUR NEIGHBORS IN THOSE THREE PEOPLE. SLEEP IS A PRECIOUS PIECE OF WORK AND DESERVES A WIDE AUDIENCE."

--Edward P. Jones, Pulitzer Prize-winning novelist

"GREAT VOICE.... ['JUST AFTER SUPPER'] HAS THAT FEEL OF GOOD LITERATURE."

--Mark Wisniewski, novelist and Pushcart Prize contributing editor
