\*Please remember that this film is copyrighted and therefore only to be shown in a home environment. Any showings in a public setting require a license from the copyright holder (in this case, Archetypal Images, LLC). This protects the artist and helps ensure that projects such as this film can continue to be made and aviation history can be preserved. For questions, contact [Heather@breakingthroughthecLOUDS.com](mailto:Heather@breakingthroughthecLOUDS.com)

### **PRESENTATIONS**

**Executive Producer Heather Taylor offers a variety of topics for presentations surrounding themes found in Breaking Through The Clouds. These talks are mixed with clips from the film.**

Presentation Topics include but are not limited to:

- How the 1929 Women's Air Derby exemplifies the Spirit of Community
- The Women of the 1929 Derby & The Collaborative Spirit
- The women of the 1929 Derby as role Models for following one's passion.
- Talks about the race itself and the women who flew it.
- The Derby and the Patriotic Spirit of flying in 1929.
- Comparing current women's air races with the 1929 air race.

If you are interested in the above talks (or others that can be customized) for flying clubs, professional women's meeting, historical societies or more, please contact Heather Taylor for rates and availability at:
