

## **Paul Chuffo**

Paul Chuffo is a Peabody Award-winning producer. Since launching Joyride Media in 2001, Paul has shaped and developed over 130 radio documentaries and over 300 podcasts for some of the world's most consequential artists and brands. Paul has worked on projects focusing on Johnny Cash, Bruce Springsteen, Paul McCartney and many more. Paul's editorial and production savvy has been leveraged by Sony Music, NPR, Universal Music, BBC Storyworks, WNYC (New York's NPR station), Sony Pictures Classics, Jazz from Lincoln Center, PRI, PBS and many more. These national programs and podcasts have touched the lives of millions of listeners and viewers in the U.S. and internationally.

Prior to starting Joyride, Paul ran teams as Senior Producer at WNYC and Associate Producer at Murray Street Productions/Jazz From Lincoln Center. Additionally, Paul writes and records music for his productions, an extension of time as a professional drummer touring for years in 19 countries and the United States.
