

KATIE GIGANTI: CV

About

Katie Giganti is a painter, muralist, and sculptor living and working in Mt. Airy, MD. Her work is included in many corporate collections in the DC Metro/Baltimore areas, including Booz Allen Hamilton, Holy Cross Hospital, PNC Bank, and the Circuit Court of Montgomery County. Katie's recent bodies of work focus on memories, patterns, natural phenomena, and "hive mind" psychology. Some of her pieces incorporate materials used in the traditional folk art-making method of tole painting, which uses metal and household items as the substrate. In recent years, she has expanded her work to a larger scale, including several murals and exterior freestanding sculptures.

Education

St. Mary's College of Maryland 2005
