

EXPERIENCE

2019-present

Founder / Director, Fifth Wheel Press

Fifth Wheel Press is committed to publishing diverse, intersectional titles by womxn and nonbinary lens-based artists that amplify marginalized voices and shed light on work by artists that would fall through the cracks in the institutions that have failed them for years.

2019-present

Founder / Director, Darkside Collective

Darkside Collective is an online space for artists working across all mediums to connect and gain exposure. Specializing in working with emerging artists, the admin team also aims to provide resources and information to help with career establishment and increased artist visibility.

2019-present

Lead Multimedia Editor, Storm of Blue Press

Responsibilities on a volunteer basis include making all media-related decisions in collaboration with editor-in-chief and creative director, designing promotional materials for social media channels, providing feedback and revisions for submitted poetry and prose, designing all chapbooks in InDesign to be published via IngramSpark.

2017-2018

Undergraduate Teaching Assistant, MICA

Responsibilities include assisting professor in preparing materials for demonstrations, helping facilitate critiques and demonstrations, providing outside of class support for students in need.

Summer 2017

Intern, Full Circle LTD

A local, artist-owned photography business. Responsibilities include working in frame shop, digitizing archive of glass slides using Phase One system, various organizational tasks.
