EXPERIENCE

Collin Cessna Artwork, Parkville, MD. — Multidisciplinary Visual Artist

July 2020- Present

- Owner and operator of Collin Cessna Artwork.
- Producer and seller of original artwork created by Collin Cessna.

CMS Environmental Solutions, Columbia, MD. — Regional Manager

June 2018 - July 2020

- Manage the staff of an Environmental Consulting Firm.
- Perform NPDES stormwater site evaluations.
- Build client relationships and assist with client environmental feedback.
- Create site specific Storm Water Pollution Prevention Plans.
- Review approved Erosion and Sediment Control and Stormwater Management Plans on a daily basis.

CMS Environmental Solutions, Columbia, MD. — Environmental Analyst

June 2016 - June 2018

- Perform NPDES stormwater site evaluations. This evaluation entails weekly scheduled and unscheduled post-storm construction site inspections to verify that proper sediment and erosion control practices are being utilized in compliance with the federally mandated NPDES stormwater permit, and the Maryland general permit, for stormwater associated with construction activity.
- Analyze and research solutions for construction needs pertaining to stormwater maintenance and pollution prevention.
