SUMMARY

Dynamic Fashion Designer and Biotechnologist with over 7 years of experience creating unique, culturally-inspired garments. Skilled in blending traditional African aesthetics with modern fashion trends. Committed to innovation and sustainability, leveraging a strong background in biotechnology to push the boundaries of textile design.

EXPERIENCE

FOUNDER AND CREATIVE DIRECTOR –2017 – PRESENT YELE LLC, [BALTIMORE, MD]

- Successfully established and managed an Afrofuturistic fashion brand
- Designed and produced high-quality, custom-fit garments for clients
- Developed and implemented marketing strategies to increase brand visibility
- Collaborated with other creatives to create unique, African-inspired collections
- Managed all aspects of the business, including design, production, marketing, and customer service

PART-TIME INSTRUCTOR – JAN-MAY 2023

OPEN WORKS, BALTIMORE, MD

- Developing and implementing engaging lesson plans for students
- Providing support and guidance to help students reach their full potential
- Collaborating with other instructors and staff to ensure student success

FASHION DESIGN INSTRUCTOR RUNWAY REVOLUTION PROGRAM, BALTIMORE, MD (2023–PRESENT)

- Spearheaded a 10-week fashion design course ending in a showcase, teaching design fundamentals, sewing, and construction.
- Guided students from basic skills to runway-ready work, including a standout student with no prior fashion design knowledge, who debuted with a pant suit and dress.
