Wendy Roberts is an interdisciplinary fiber artist that weaves graphic images reflective of the interaction of color and texture inspired by the natural world.

Currently, Wendy is weaving the *Human Condition Series*. Exploring the expression of environmental, social and individual emotions through color and texture..

With a background in graphic design, Wendy focuses her fiber art on the relationship of texture, pattern, color and design. She has a BFA from Maryland Institute College of Art in Baltimore, MD and currently maintains a fiber studio in nearby Bel Air, Maryland. Wendy has served on the board of the Textile Society of America as the Director of Communications.
