ARTIST RESUME

- Cheri Glover Artist Studio at Howard County Art's Council 2024
- Cheri Glover Artist Studio at Savage Mill 2014

After 30 years in design and marketing, I found a real passion for painting in my spare time. Lately, I've been able to shift gears, spending more time on my art and less on graphic design. Painting has been such a fulfilling way to explore my creativity and dive deeper into what I love.

- Graduated 1984 Towson State University - BFA /Concentration in Graphic Design.
