EXHIBITIONS

- **Infinite Pathways** Baltimore, MD *July 2023*

Created an art exhibition at Rocket To Venus in the Hampden neighborhood of Baltimore, MD. Displayed a series of seven acrylic paintings on canvas depicting scenes from Baltimore's uncharted territories; the roads less traveled, the outskirts of reality, spaces filled with excitement, beauty and mystery.

- **The Forest** Baltimore, MD *January 2019*

Created an art exhibition at The Alchemy of Art in the Fells Point neighborhood of Baltimore, MD. Displayed a series of five nature themed relief sculptures made out of MDF, Magic Sculpt epoxy clay and painted with acrylic paint. Each sculpture depicted a forest scene with elements including trees, rocks, mushrooms, and animals. The goal of the series was to bring soothing elements of nature into an urban environment and offer viewers a calming retreat.
