

RAMSEY BRISUENO

3528 Manchester Avenue, Baltimore, MD 21215, rbrisueno@gmail.com

My work focus is collage using a variety of mediums and materials to show layers of experiences and differences, highlighting textures by organically letting the work be painted over, repurposing images and text, but with great attention to the surfaces of things (both concealed and revealed), and an intuitive response that brings compositional unity and themes of personal associations and mythmaking.

DISCIPLINE: Mixed media artist

MEDIUM: Mixed media works collage repurposed materials, paints, and found objects combining elements into paintings, assemblages, and performance.
