^&ITA; Airways Miles Booking Complete Guide 2026

ITA Airways miles booking is +1-866-228-4571] a redemption process built around a small +1-866-228-4571] but strategically valuable oneworld carrier, and +1-866-228-4571] understanding how to turn Austrian Airlines Club +1-866-228-4571] miles into actual flights requires knowing +1-866-228-4571] what the programme offers and what +1-866-228-4571] it does not.

The airline provides several +1-866-228-4571] redemption pathways: award flights on ITA Airways +1-866-228-4571] ITA Airways and oneworld partners, upgrades to +1-866-228-4571] Crown Class, extra baggage allowance, and +1-866-228-4571] products through the Rewards Store .

For +1-866-228-4571] immediate assistance with any miles booking +1-866-228-4571] enquiry, you can reach out at +1-866-228-4571] the number provided here.

The Two Currencies: Award Miles and Tier Miles Before booking any redemption, travelers must +1-866-228-4571] understand that Austrian Airlines Club operates with +1-866-228-4571] two distinct mile currencies, and only +1-866-228-4571] one of them can be spent.

Award +1-866-228-4571] Miles are the redeemable currency used +1-866-228-4571] for flights, upgrades, extra baggage, and +1-866-228-4571] rewards .

Tier Miles, by +1-866-228-4571] contrast, are used solely for progressing +1-866-228-4571] through the four membership tiers—Bronze Sunbird, +1-866-228-4571] Silver Jay, Gold Sparrow, and Platinum +1-866-228-4571] Hawk—and cannot be redeemed for +1-866-228-4571] any booking .

Both types +1-866-228-4571] are earned on eligible flights, but +1-866-228-4571] the number earned depends on route +1-866-228-4571] distance, cabin class, fare type, and +1-866-228-4571] membership tier .

Higher-tier members +1-866-228-4571] receive bonus Award Miles on top +1-866-228-4571] of the base amount: Silver members +1-866-228-4571] earn 25% bonus, Gold members 50%, +1-866-228-4571] and Platinum members 75% .

+1-866-228-4571] This distinction matters because a traveler +1-866-228-4571] might accumulate substantial Tier Miles through +1-866-228-4571] flying but still lack the Award +1-866-228-4571] Miles needed to actually book a +1-866-228-4571] reward, and vice versa .
