Profile

Multi-disciplined artist with over 15 years of experience who incorporates all aspects of his artistry in stage performances, residencies and workshops. He has a charge to challenge his listeners to think carefully and critically. Collier has a gift for making natural connections and truly listening to the needs of the students and the teachers with which he works. He cares deeply about people and helping them to achieve. Jamaal articulates his passion and appreciation for his artistry and his community every time he teaches and performs.
