

# LEARSI ZURC

---

Contemporary Expressionist Painter

Baltimore, MD | [info@artbylearsi.com](mailto:info@artbylearsi.com) | [www.artbylearsi.com](http://www.artbylearsi.com)

## Artist Statement

Learsi Zurc is a contemporary expressionist painter whose practice currently centers on translating human emotion into visual form. Working primarily in original, one-of-one compositions, Zurc explores emotional states as singular, unrepeatable events. His ongoing series, Artisanto Adjectives, documents the language of feeling through texture, gesture, and material presence. His work positions painting as both an emotional record and living archive.
