

ROGER MILLER, Photographer, Publisher, Teacher, Artist

Roger Miller has been a commercial photographer and book publisher for the more than 40 years. His assignments have taken him around the world 18 times. He is a source of stock photography in the Mid-Atlantic region with more than 650,000 slides in his files and seven terabytes of digital files. He has produced 38 photography books to date. He created the first full-color books on Baltimore, Annapolis and the State of Maryland. To date he has sold more than 186,000 copies that is over 300 tons of books.

With experience in a broad range of photography, Roger specializes in everything from romantic scenic landscapes to studio portraits and product photography. He has worked with numerous commercial clients including Baltimore Aircoil Company, Northrop Grumman, Maryland Port Administration, AirMall (BAA USA), Battelle, Raytheon Company, EADS North America, Beretta, Meggitt Defense Systems and Textron Systems.

Roger's photography is showcased in numerous commercial installations. Locations include BWI Airport, Johns Hopkins Hospital, the Homer Gudelsky Building at UMAB, numerous buildings at UMBC, Jaguar Land Rover Annapolis showrooms and offices, the White Marsh Professional Center and numerous legal and professional offices.

For years Roger has signed his books "Enjoy the beauty of....." If there is something, he wants you to remember about his work it is: **ENJOY THE BEAUTY!** Call him if you want to add beauty to your home or office.
