SKILLS

- Using latex paint, spray paint, and industrial paint sprayers to create murals of varying sizes
- Operating several types of aerial equipment, including swing stages, scissor lifts, and boom lifts
- Managing install schedules with contractors, architects, and business owners
- Maintaining a clean, safe, and organized work site
- Problem solving in high-stress, time sensitive situations
- Working in a variety of painting styles, with a broad range of subject matter
- Designing place-based, site-specific murals
- Collaborating with clients to ensure their vision comes to life
