Experience

- 2019-04 **Play 2 "At the Water's Edge"**
MICA's Theater Company Theater At the Edge
MICA's Theatre Company, Theatre at the Edge, showcase a dynamic performance piece—with visual, movement, music, language, film, and architectural elements—that emerges from Shakespeare's *Tempest* as the human and other-than-human world encounters climate change in Baltimore and beyond.
- 2019-03 - 2019-04 **Crew Head/ Captain**
Maryland Institute College of Art At the Waters Edge
- Responsible for running the backstage.
 - On headset with the booth during the play and cue backstage.
 - Preset in order for both stage and backstage before the play.
 - Direct runners while communicating with the main booth.
 - Communicate between Prop Master, Costume Team, Actors, Main Booth, and the Director
- 2018-04 **Play 1 "You'll Never Meet Mac DeMarco"**
MICAN Rivals Company
MICA original production, "You'll Never Meet Mac DeMarco", for its 10th anniversary, 2018 spring production in BBOX. The play was conceived, written, and produced by the all-MICAN Rivals Company.
- 2019-01 - 2019-04 **Set Designer**
MICA's Theater Company Theater At the Edge
- Analyzed Shakespeare's *Tempest* with additional research of the re-written script.
 - Experienced multiple trial and error during the process of finalizing set design.
 - Learned carpentry skills through workshop.
 - Built multiple scale models
 - Assembled different concepts of set design along with detailed research.
- 2018-01 - 2018-04 **Technical Designer**
Rivals of the West Theater
- Actively involved in a set design and construction for 2018 spring production.
 - Assembled different concepts of set design along with detailed research.
 - Built multiple scale models
 - Learned carpentry skills through workshop.
 - Designed the set based on the devised script.
