## About Me

An artist pursuing creative endeavors while sharing life with my kids. I am looking for opportunities to conceive and execute projects and create conceptual worlds using visual art, the written word, and music.

## Skills

- Managing Multifaceted Projects and People
- Social Media Management,
- Project/Artistic Direction
- Multimedia Artist
- Collaborative Creative Thinking
- Verbal/Written Communication
- Perpetual Learner
- Video production (Final Cut Pro)

## Education

- **Goucher College** 2001-2005  
*Bachelor of Arts degree*  
Major in English Literature with minors in theatre performance and fine art, specifically painting
- **Saint Andrew's Priory** 2001-2005  
*High School diploma*

## Experience

- **Artist/Musician** 2019-present  
*Independent/Self-Employed*  
Conceiving, writing, and recording several musical projects, from songwriting to instrumentation and collaboration with musicians and producers in the studio, in addition to art direction, coordinating and conceiving photoshoots, creating music videos, building ads, and making marketing strategies for each release.
- **Social Media Content Creator** 2020-present  
*Self-Employed*  
Building brand identity, construction of digital images within the brand identity, creating videos scheduling and conceptualizing photo shoots, executing week-to-week content schedules for various restaurants.
- **Full-time primary parent**  
*Employed by Two Finicky Queens* 2013-present  
Day-to-day managing, teaching, planning, and executing events and activities for two small people to engage them creatively and compassionately for the world around them. Organizing home functionality to make sure there is constant access to creative materials and fostering an environment of exploration and play. Project management for structure and rhythm of daily activities.
- **Wine Shop Manager/Educator** 2016- 2017  
*Bin 201 Wine Sellers*  
Managing inventory and staff, making creative displays and marketing promotions for the shop, running wine education classes for staff and guests, learning from the ground up about the wine industry and its roots.
